**RESPONSE TO OFFICE ACTION**

Sir:

In response to the Office Action of August 8, 2006, for the above-identified application, please find the **Remarks/Arguments** beginning on page 2 of this paper.

The instant Response was previously transmitted to the USPTO via facsimile dated November 8, 2006. A USPTO Auto-Reply Facsimile Transmission was received by the Applicant with a Date Received of November 9, 2006. Although the Facsimile cover sheet referenced the correct application information it also contained a data entry error showing an incorrect application serial number and as a result the Response was filed under the incorrect USPTO application file.

Payment for extension of time corresponding to the instant Response date is therefore authorized herewith electronically via EFS-Web for purposes of correcting the error.
